Bigleaf Networks Application
Bring Your Own IP (BYOIP) Request

Bring Your Own IP (BYOIP) is only supported for Bigleaf Cloud Connect Essential service plans, Essential plans with the High Availability (HA) hardware redundancy add-on, ARIN IP addresses, and IP addresses assigned or allocated directly by ARIN to a company or partner responsible for the Bigleaf site. IP addresses belonging to a third-party, such as an ISP, are not supported. A /24 may only be assigned to one site as a single IP block.

1 Customer Info

End User Company Name

2 Letter of Authorization

THIS STEP IS REQUIRED

Generate a new document using the template below. The official company letterhead is the company directly assigned or allocated the BYOIP address block listed with ARIN. This can be identified by searching for the BYOIP address block here.

[OFFICIAL COMPANY LETTERHEAD]

Letter of Authorization ("LOA")

[DATE]

To Whom It May Concern,

[COMPANY NAME] (the "Company") authorizes Bigleaf Networks, Inc. with AS62642 to advertise the following IP address blocks:

[SUBNET]
[SUBNET]
[SUBNET]

As a representative of the Company that is the owner of the aforementioned IP address blocks, I hereby declare that I am authorized to sign this LOA on the Company's behalf.

Should you have any questions please email me at [EMAIL ADDRESS], or call: [TELEPHONE NUMBER].

Regards,
[SIGNATURE]

[NAME TYPED]
[TITLE]
[COMPANY NAME]
[COMPANY ADDRESS]
[COMPANY STAMP]

3 Route Origin Authorization

THIS SECTION IS REQUIRED if the company assigned or allocated the BYOIP address block is using RPKI. You can view issued ROAs by entering the prefix here.

A Route Origin Authorization (ROA) will need to be issued by the company for the Bigleaf ASN, 62642, prior to submitting this form. More information about creating a ROA with ARIN can be found here.

Applicable: ○ Yes ○ No

Date ROA issued:
